

Features

SELENE All in one solar street lights, the high end integrated solar light. Its solar panel, battery, lamp, controller and PIR motion sensor are in this one unit, no extra components are required, IP65 water and dust proofing. With wide beam angle and much more even light distribution, it capable to light up at least a two hundred square meters area.

Advantages

- All-in-One lamp housing, anti-UV surface treatment;
- Exclusive design patent, ornamental and practical;
- Super bright optical lens, total 1,960/2,200 lumens;
- Latest power management, 2 continuous rainy days battery backup;
- ES energy saving mode & PIR motion sensor mode;
- Multiple mounting ways design;
- REAL power, super high brightness.

Features

Model SELENE all in one solar street lights, its compact appearance is specially designed for Japanese, South Korea, US and European markets. All its material is superior, which ensures its excellent lighting performance, durable quality. Its powerful all in one integrated solar lights despite its slim lamp body, even its packing is compact, no packing space is wasted; It's a model very popular in the US, Australia, and Europe markets.

Model SELENE All in one solar street lights, the origin designed slim lampbody not only for aesthetic perception, but also easy for packing, 2 sets inside one color box, no extra volume is wasted, this is the compact packing design idea which is highly welcomed.

Parameters

Parameters	GS-SELENE-20	GS-SELENE-22
Solar Panel	15Wp Monocrystalline Silicon	18Wp Monocrystalline Silicon
LiFePO4 Battery	80WH Lithium Iron Phosphate	80WH Lithium Iron Phosphate
Back-Up Time	2+ Days	2+ Days
Light Source	Super Bright 3030 LED Chip	Super Bright 3030 LED Chip
Luminous Efficacy	1,960 LM	2,200 LM
CCT	3,000K - 6,500K	3,000K - 6,500K
Motion Sensor	PIR	PIR
Working Hours	12 Hours from Dusk to Dawn	12 Hours from Dusk to Dawn
Lampbody Material	UV-Resistance PC	Whole Lampbody Aluminum
Mounting Height Recommended	3 - 5 Meters	3 - 5 Meters
Working Modes	Auto/ Remote/ Time Dimming	Auto/ Remote/ Time Dimming
Warranty	3 Years	3 Years
