

# EXPLORER WARRIOR

SOLAR GARDEN LIGHTS

• Website: [www.SunPowerLights.com](http://www.SunPowerLights.com) • Email: [Sales@SunPowerLights.com](mailto:Sales@SunPowerLights.com)

## Features

The Sci-Fi sense of lamp body design not only make the model EXPLORER WARRIOR looks more sense of science and technology, but also intelligent and powerful; Aluminum material lamp body plus intensified uvioresistant PC lamp shade is much more durable than PLASTIC lamp in the market. The lamp has 3 lighting color temperature, with Bluetooth the lamp can be connected with smart phone, and easily pick any of lighting color you need! RGB colorful mode, its color can be changed with the music beat you played at your mobile device! Add romantic, fairytale atmosphere to the garden, or energetic young vibes at party occasions.
